Leistungserklärung Declaration of performance

| | | |
|---|------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------|
| 7 | Erklärte Leistung(en) | Performed activities for assessment and verification |
| | | The notified body has done the initial type testing of the product according to system 3 and issued a report to the initial type testing of the product |

| 8 | Wesentliche Merkmale Essential characteristics | Leistung Performance | Angepasste technische Spezifikation Harmonised technical specification |
|---|---------------------------------------------------|-------------------------|---------------------------------------------------------------------------|
| | Brandverhalten / Reaction to fire | Dca s2 d2 | EN 50575:2014 + A1:2016 |
| | Gefährliche Stoffe / Dangerous substances | Keine / None | |

| | | | |
|----|----------------------------|-----------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 10 | | | The performance of the product in accordance with point 1 and 2 corresponds to the declared performance in point 9. Responsible for creating this declaration of performance is only the manufacturer referred to in point 4. |
